

IS YOUR FAMILY DYSFUNCTIONAL? by Aishah Al-Amin

When I think of dysfunctional families, immediately TV families come to mind. The most outstanding images are of Al Bundy and crew from *Married With Children*. It is something entertaining about watching an unhappily married couple with an unhealthy couple's relationship, a nerdy son, and ditzy daughter. As sad as that may be, TV is based on reality and those images came from somewhere. Someone could relate to a dad who just wanted to sit on the
